II. INSTRUMENTALITY

2. The Executive Committee of AMBOD consists of high-ranking PERUEN elites, politicians and business leaders, all of whom are anti-Communists, determined to hold positions in the new government when Communism is defeated in PERU. KUBARK support is in the form of subsidies for political and psychological action.

VII. BACKGROUND

3. AMBOD serves as a "front" for KUBARK supported political and psychological action, and as a rallying point for organized political elements in the community of elites. Funds introduced by KUBARK are for a two-fold purpose, first, (a) to support the efforts of AMBOD and (b) to pay expenses of not-reimbursed a monthly stipend. KUBARK is the largest contributor in support of this group.

IV. FINANCIAL HISTORY

4. The present monthly to AMBOD is approximately \$500,000.00 month which is distributed with the help of the Agency for International Development (AID) and the State Department. The Agency for International Development (AID) and the State Department are the primary sources of funds for the organization, and the Agency for International Development (AID) and the State Department are the primary sources of funds for the organization.

V. RECOMMENDATION

5. In order to authorize JMWAVE to make the above mentioned outsidy payments, it is recommended that the attached Plan be approved. The Concurrence Sheet indicates that the Plan has been coordinated with interested Staffs and Divisions of KUBARK.
